

# **Job Title: Performance Analyst for Senior National Men's Football Team**

Location: Kathmandu, Nepal

Reports to: General Secretary and Technical Director, All Nepal Football Association (ANFA)

Job Type: Full-time, Contractual

## **Job Summary:**

The Performance Analyst for the Senior Men's Football Team is responsible for developing, managing, and executing the overall fitness and performance strategy for the national men's team. This role includes implementing tactical plans and ensuring the physical and mental readiness of players. The goal is to elevate the performance of the national team in regional, continental, and global competitions.

## **Key Responsibilities:**

### **1. Match & Training Analysis**

### **2. Data Collection & Interpretation**

- Gather and interpret performance data.
- Translate raw data into meaningful insights for coaches and players.

### **3. Opposition Analysis & Scouting**

- Analyze upcoming opponents: tactics, key players, strengths/weaknesses.
- Prepare pre-match reports and visual presentations for the coaching staff.
- Provide live support during matches for real-time tactical feedback.

### **4. Tactical Insights & Head Coach Support**

- Collaborate closely with coaching staff to identify tactical trends and improvements.
- Help design training sessions based on match performance data.
- Provide post-match debriefs and visual summaries.

### **5. Video & Presentation Creation**

- Produce engaging video packages for individual, group, or team reviews.
- Present findings in formats that are coach- and player-friendly.
- Maintain an organized video and data library.

### **6. Interdisciplinary Collaboration**

- Work with sports science, medical, and technical departments to deliver holistic insights.
- Support return-to-play processes with data-backed recommendations.
- Integrate performance analysis into the team's overall high-performance model.

### **7. Tournament & Camp Preparation**

- Assist with analysis planning during training camps and competitions.

### **8. Performance Analysis:**

- Analyze team and individual player performances using data and video analysis tools.

- Create detailed reports on team progress, outlining areas for improvement and future strategies.

#### 9. Strategic Support:

- Provide Technical support for the youth, coach education and grassroots football development
- Coordinate with the Technical Department to develop talent scouting, talent development and long-term development of the football in Nepal.

#### 10. Compliance and Ethics:

- Adhere to the rules and regulations of ANFA, AFC, and FIFA.
- Promote fair play, discipline, and respect among players and staff.
- Uphold the highest standards of professionalism and ethical behaviour in all aspects of the job.

#### **Qualifications:**

- Certification holder of Fitness Course and Data Analysis in Football (level 1) from a reputed organization
- Experience: At least 1 years of experience, preferably at the at professional level, with a proven track record of success.
- Knowledge: In-depth understanding of international football, including tactics, training methods, and player management.
- Communication Skills: Excellent communication and interpersonal skills, with the ability to inspire and motivate players.
- Nepalese Football's Cultural Awareness: Familiarity with Nepal's football culture and a willingness to adapt to the local environment.
- Language: Proficiency in English is required.

#### **Application Process:**

Interested candidates should submit their resume, a cover letter outlining their coaching approach, and references to following email id; [anfatechnicaldivision@the-anfa.com](mailto:anfatechnicaldivision@the-anfa.com). The deadline for applications is 20<sup>th</sup> May, 2025.

Note: Only shortlisted candidates will be contacted for further procedure.
